*The Gala dinner will be hosted at York National Railway Museum. The museum is a world authority on railway history and preservation and holds a spectacular display of over 300 locomotives and rolling stock.*

## PARTNER ACTIVITIES

*There will be two special events for partners:  
The first is a visit to the stunning York Minster, the largest gothic cathedral in northern Europe. York Minster is one of the world's most magnificent cathedrals, a masterpiece in stained-glass and stone, with foundations rooted in the nation's history.*

*The second is afternoon tea on board the 'Countess of York'. This is a beautifully restored railway carriage in the South Gardens at the National Railway Museum. The carriage décor, delicious food and elegant furniture make this a truly wonderful experience.*
