

# UIC ASIA-PACIFIC

## Freight Corridors Workshop on Interoperability & Standards

# PROGRAMME

Bangkok, Thailand  
14-15 November 2018

# PROGRAMME

## Wednesday 14 November 2018

08:30-09:00	<b>Registration</b> Master of Ceremony: Mr. Milko PAPAHOFF, Representative of UIC Asia-Pacific in South-East Asia, Malaysia
09:00	<b>Opening Ceremony</b>
09:10-09:30	H.E. Mr. Arkhom TERMPITTAYAPASITH, Minister of Transport of Thailand
09:30-09:50	Mr. LOUBINOUX Jean-Pierre, Director General, UIC
09:50	<b>Keynote Speeches</b>
09:50-10:10	Mr. CHAOSIRIKUL Sujit, Deputy Governor of Electrification, SRT (tbc)
10:10-10:30	Mrs. GEHENOT Sandra, Director Freight Department, UIC
10:30-11:00	<b>Coffee Break</b>
11:00-12:30	<b>SESSION 1: Interoperability of railway corridors – Experiences and insights</b> Chairman: Mrs. GEHENOT Sandra, Director Freight Department, UIC Economic Assessment of Effects from Speeding up Ocean-2-Ocean combined Corridors. Case-study of Eurasia, South-North and Trans-Korean. <i>Mrs. KOZYREVA Ekaterina, International Projects Director, IEC (Infrastructure Economical Center), Russia</i> Interoperability in the ECO Railway Network (ENR) and its critical elements <i>Mrs. ADILBEKOVA Bayan, Directorate of transport and communications, ECO, Iran</i> Joined activities on railway freight security <i>Mr. COLLIARD Jacques, Manager of Security Division, UIC</i> RZD Initiatives for the Development of International Corridors <i>Mrs. RENNE Lyudmila, Deputy Head of Foreign Projects &amp; International Cooperation Department, RZD, Russia</i>
12:30-13:30	<b>Lunch</b>
13:30-15:00	<b>Continuation of SESSION 1</b> VNR Experiences <i>Ms. HAN NHU Quynh, Director of International Cooperation – Science &amp; Technology Department, VNR, Vietnam</i> Railway Freight Corridors in China and Prospects <i>Mr. ZHENG Pingbiao, Researcher, CARS, China</i> Exploring the world of standards: standard gauge vs. meter gauge <i>Mr. CHARTIER Pierre, Chief, Transport Infrastructure Section, Transport Division, UNESCAP</i> Transport Policy of the Eurasian Economic Commission (EEC) <i>Mr. NURAKHMETOV Erzhan, Director of Transport &amp; Infrastructure Department, EEC, Russia</i> Questions & Answers
15:00-15:30	<b>Coffee Break</b>

15:30-17:00	<b>SESSION 2: Seamless train operation best practices - Border crossing facilitation – Technical regulations for regional interoperability</b> Chairman: Mr. COLLIARD Jacques, Manager of Security Division, UIC
	Dealing with business growth where passenger and freight services compete <i>Mr. PONTON Adrian, Lecturer – University Central Queensland, Australia</i>
	Technical regulations for interoperability <i>Mr. KINDERIS Vytas, Standardisation &amp; East/West Relations Coordinator, UIC</i>
	Measures for the effective development of multimodal transport aimed at increasing the competitiveness of the railway transport <i>Mrs. RENNE Lyudmila, Deputy Head of Foreign Projects &amp; International Cooperation Department, RZD, Russia</i>
	ESCAP’s Regional cooperation framework for the facilitation of international railway transport <i>Mr. KORMILITSYN Fedor, Economic Affairs Officer, Transport Division, UNESCAP</i>
	Instrument of Interoperability Improvement <i>Mr. KHACHATURIAN Artem, Counsellor to President, PLASKE JSC, Ukraine</i>
	Questions & Answers
17:00	Welcome Cocktail (Crystal Ballroom, Lobby Floor)

## Thursday 15 November 2018

09:00-10:30	<b>SESSION 3: Digitalisation and innovation to meet customer needs</b> Chairman: Mr. BEDEL Francis, Chief Digital Officer, UIC
	Comparison of Technical Regulation Structure between EU TSI and Korean railroads Standards <i>Mr. CHOE Kangyoun, Senior Researcher, KRRI, Korea</i>
	Current digital trends – What is blockchain? Potential added value for rail Freight Corridors <i>Mr. BEDEL Francis, Chief Digital Officer, UIC</i>
	Opportunities and risks of digitalisation <i>Mr. COLLIARD Jacques, Manager of Security Division, UIC</i>
	Digital Freight at UIC <i>Mrs. GEHENOT Sandra, Director Freight Department, UIC</i>
	Safety and Efficiency Improvements through Integration of Real Time Structural Health Condition Monitoring Technologies in Rail Operations. <i>Mr. RAVITHARAN Ravi, Director, Institute of Railway Technology (IRT) at Monash University, Australia</i>
	Questions & Answers
10:30-11:00	Coffee Break

11:00-12:30	<b>SESSION 4: Market and business models for longer and faster trains</b> Chairman: Mr. KINDERIS Vytas, Standardisation & East/West Relations Coordinator, UIC Hard and Soft Constraints for International Transit between Europe and Asia <i>Mr. CHISTYAKOV Pavel, Vice President, IEC (Infrastructure Economical Center), Russia</i> Present Freight corridor in Indonesia and Future Plan in perspective of Railway Industry <i>Mr. SURAKUSUMAH Toni, General Manager, PT. Len Industri (Persero), Indonesia</i> How Heavy Haul in Australia has realised continuous improvement <i>Mr. PONTON Adrian, Lecturer – University Central Queensland, Australia</i> Traincost <i>Ms. ABEL Ariadne, Economic Affairs Officer, Transport Division, UNESCAP</i> Questions & Answers
12:30-14:00	Lunch
